

Mini DisplayPort® to HDMI® Video Adapter Converter - White

StarTech ID: MDP2HDW

The MDP2HDW passive Mini DisplayPort® to HDMI® Video Adapter/Converter (White) offers a convenient HDMI/Mini-DisplayPort link, which enables you to connect an HDMI computer monitor or television to a device with a Mini-DisplayPort output, while saving the expense of upgrading the monitor for compatibility.

The adapter supports high resolution output up to 1920x1200, offering a high quality solution for mirroring or extending a computer desktop onto a second display.

This versatile Mini DisplayPort to HDMI adapter requires a multimode DisplayPort port (DisplayPort ++) connection to function, and is compatible with Intel® Thunderbolt™ output when connected directly to a supporting DisplayPort over Thunderbolt™ I/O port.

This adapter allows for audio pass-through if supported by the video source. Please review the video source manual to confirm support.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Ideal for digital entertainment centers, home offices, business conference rooms and trade show displays
- Keep your existing HDMI® monitor to be used with your new Mini-DisplayPort® device
- Ideal for using your HDMI monitor as a secondary display

Features

- Supports PC resolutions up to 1920x1200 and HDTV resolutions up to 1080p
- Easy to use passive cable, no software required
- Compatible with Intel® Thunderbolt™
