

## 6in Latching Round SATA to Right Angle SATA Serial ATA Cable

StarTech ID: LSATARND6R1

The LSATARND6R1 6-inch Round SATA Cable is a high quality SATA 6Gbps cable that features a rounded design to help improve airflow inside a computer or server case by providing less resistance as air passes around the cable, in turn helping to ensure cooling for improved system performance.

The cable features one straight latching SATA connector, as well as a right-angled latching SATA connector that makes it easier to connect your SATA drive even if space near the drive is limited. The latching connectors also ensure secure connections to SATA hard drives and motherboards that support this feature.

Designed for optimum performance and reliability, this 6" SATA Cable is backed by our lifetime warranty.

### Applications

- Installing Serial ATA hard drives, and DVD drives in Small form factor computer cases
- Server and storage subsystem applications
- Connections to SATA drive arrays
- High-end workstation drive installations

### Features

- 1x Latching SATA Connector
- 1x Latching Right Angle SATA connector
- Round SATA Cable
- Supports fast data transfer rates of up to 6 Gbps when used with SATA 3.0 compliant drives

## Spec Sheet

### Technical Specifications

Warranty	Lifetime
Cable Jacket Type	PVC - Polyvinyl Chloride
Connector A	1 - SA-A (7 pin; Data)atching Receptacle
Connector B	1 - SA-A (7 pin; Data)atching Receptacle
Speed Type and Rate	SA-A (6 Gbps)
Color	Black
Connector Style	Straight to Right Angle
Wire Gauge	30 AWG
Cable Length	6 in [152.4 mm]
Product Length	6 in [152.4 mm]
Product Weight	0.2 lb [61 g]
Packaging Quantity	1
Shipping (Packaging) Weight	0.4 lb [113 g]
Included in Package	1 - 6inatching Round SA-A to Right Angle SA-A Serial Cable
