

## 2U Tool-Less Vented Blank Rack Panel

StarTech ID: *RKPNLTL2UV*

The RKPNLTL2UV 2U Tool-Less Vented Rack Panel mounts to a standard 19" 2 or 4-post rack to improve the organization and appearance of your rack in seconds.

The blank rack panel offers a tool-less design to save you time through simple installation or removal, with locking pins that secure into place with a quarter-turn. The panel is made of high-quality steel for long-term durability, plus the vented design allows for unobstructed airflow through your rack.

Backed by a StarTech.com 2-year warranty.

### Applications

- Fill in unused gaps between equipment in server racks and cabinets
- Use in rack installations where equipment needs to be changed / shifted often

### Features

- Tool-less install / removal with quarter-turn locking pins
- 2U vented rack panel design
- Sturdy steel construction
- Mounts to standard 19" 2 or 4-post server racks
