## **Colocation Kit for 48U Rack Enclosures**

### MODEL NUMBER: SRCOLOKIT48U

#### Description

The SRCOLOKIT48U turns a standard 48U single-compartment rack into a dual-compartment colocation rack, allowing two different users to occupy 23U of space each. An included divider panel separates the two compartments, and the rack's 42U front and rear doors are replaced by independently lockable 24U doors, each with its own unique, user-settable combination code. This colocation kit includes all necessary mounting hardware and comes backed by a five-year warranty.

#### Features

- Colocation kit for standard 48U rack enclosures
- Converts 48U of space into two separately lockable 23U compartments
- Allows two different users to occupy one rack enclosure
- Includes divider panel, lockable doors and all necessary mounting hardware
- Simple to install
- Backed by a five-year warranty
