

Cabinets

RackyRax Pro Range - Floor Standing Cabinets

The range of 19" Floor Standing Cabinets are an ideal solution for housing network hardware and patching equipment. The robust design makes them suitable for use in IT departments and offices. The cabinets are available in various configurations and are supplied fully assembled. Each cabinet utilises a ventilated top and four 19" adjustable front and rear mounting posts.

The cabinets feature lift-off sides and a lockable door for maximum access to the internal equipment, with cable access in the base for convenient routing of network cables. The side panels can be fitted with cabinet locks. The cabinet frameworks are finished in black with a Perspex lockable front door. These 19" Floor Standing Cabinets incorporate the essential features for data communication environments - security, durable construction, easy access and protection from dust or contamination for the network equipment.

Features and Benefits

- Removable and lockable side panels
- Optional fan-unit into the roof or 19inch rack mount type fan unit
- Vertical mounting rails are adjustable throughout the entire depth of the cabinet.
- High load carrying capacity (800kg)
- With 1.5mm thickness silk-screen mounting rails.
- Tempered safety glass front door, t:4mm
- Sheet steel rear door
- 800 x 800 cabinets have wardrobe style front and rear doors.

Technical Data	
Colour	RAL 9005 Black colour
