

# Stereo Headset

## In-Line Volume Control

### Practical headset with full features.

The MANHATTAN® Stereo Headset combines quality performance, comfortable design with a good value. The padded foam ear cushions and single headband adjust to fit almost any listener. Its lightweight design with flexible boom microphone provides quality audio performance and hands-free online communications. An inline rotary control fingertip provides convenience for quick volume adjustments. A long, durable cable helps maintain a reliable connection from almost anywhere in the room.

### Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
