

### **3.5mm Right Angle Stereo M/M**

**Connect to 3.5mm jacks on CD players, stereos, speakers, PC/TV tuners and other audio devices**

The Cables To Go "Value Series" 3.5mm stereo 90° right angle audio cable is specifically designed to provide a brilliant audio experience. It connects a PC sound card, portable CD player or any mini-stereo audio device with 3.5mm jacks to a multimedia speaker. This cable features two copper conductors and a drain wire. The conductors and drain wire are wrapped with an aluminium Mylar<sup>®</sup> shield which prevents unwanted EMI/RFI interference. Fully moulded nickel-plated connectors provide excellent strain relief for durable use. The 90° right angle connectors give this cable a low profile when plugged into a 3.5mm jack.

#### **Features:**

- Perfect for home or office 3.5mm audio applications, including:
  - Car Stereo
  - MP3 Players
  - Speakers
- Nickel-plated connectors
- Shielded to prevent unwanted EMI/RFI interference
- No software required
- Free technical support & lifetime warranty
