6 ft Micro USB Cable - A to Right Angle Micro B

StarTech ID: UUSBHAUB6RA

The UUSBHAUB6RA 6-foot USB-A to Micro-B Cable provides a high quality connection between Micro USB-equipped USB 2.0 mobile devices (such as BlackBerry® or Android-based smart phones, digital cameras, PDAs, Tablet PC devices and GPS systems, etc.) and a USB-capable computer, for everyday tasks such as data synchronization, file transfers and charging.

The right-angled Micro USB connector positions the cable in such a way that it allows you to easily access your mobile digital device in both portrait and landscape mode, even while charging.

Designed and constructed for maximum durability, this high quality USB-A to Right Angle Micro-B cable is backed by StarTech.com's Lifetime Warranty.

As an alternative, StarTech.com also offers a 6ft USB A to Left Angle Micro B Cable (UUSBHAUB6LA), which provides the same convenience as this right-angled cable but allows you to connect to your USB Micro-B devices from the opposite direction.

Applications

- Transfer data, connect to various USB devices, and provide power while charging your Micro USB device, without the cable getting in the way
