

# V7 Portable Security Cable with Key Lock

SLK4000-13EB

## Key Features

- 2 meter, cut-resistant, galvanized steel cable with vinyl jacket
- Easy locking push button with 45 degree angled lock head
- Comes with two identical vinyl jacketed keys
- Comes with three spacers for a perfect fit
- Compatible with practically all security lock slots

## Overview

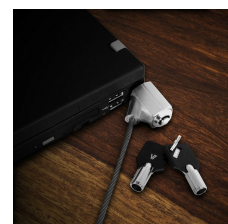

The V7 keyed security lock is designed for technology products that have a security lock slot and fits practically all notebook computers manufactured today. The security lock provides a simple and effective way to secure notebooks, desktops, monitors and projectors. The push-to-lock function and 45 degree cable design insures easy operation. The two security keys have vinyl jacketed key heads that are easy to hold and operate.
