# 3m (10 ft) Long Apple® 30-pin Dock Connector to USB Cable for iPhone / iPod / iPad with Stepped Connector

*StarTech ID: USB2ADC3M*

The USB2ADC3M Apple® (30-pin) Dock Connector to USB cable for iPhone®, iPod® and iPad® (3m) connects your iOS-enabled mobile digital devices to your computer and features a uniquely constructed stepped Apple Dock Connector, designed by StarTech.com. Unlike a regular connector, the exclusive stepped connector plugs into your iPhone, iPod or iPad, even when inside a protective case, avoiding the inconvenience of having to constantly remove the cover for every charge.

This USB to iPhone cable features heavy gauge (20 AWG) wire, which enables convenient syncing and charging of your Apple devices up to 3 meters away from your computer or wall outlet, overcoming distance restrictions while delivering full charging power to your devices with no loss of charge time.

This durable cable is Apple MFi certified and backed by our lifetime warranty to ensure dependable performance.

**Note**: If your computer USB port does not deliver sufficient power and you see a "Not Charging" message on your iPad or other Apple device, you can use this 3m 30-pin Dock to USB Cable with the USB 2.0 Fast Charging Adapter (USB2CHADP) in order to fast charge your devices.

 **Applications**

- Lengthen the distance between your Apple® iPhone®, iPad®, iPod® or dock, and your computer or charger by up to 3 meters
- Charge your Apple® devices from a computer, USB wall charger, or vehicle USB charger

**Features**

- 1x Stepped Apple® (30-pin) Dock connector
- 1x USB 'A' male connector
- High quality 20 AWG wire
- Offers 3m in cable length
- High quality connectors, suited for repeated connections/disconnections to/from your iPhone®, iPod® or iPad®
- Compatible with all existing Apple (30-pin) dock cable connectors
- Aluminum-Mylar Foil with Braided Shielding
- Supports high-speed USB data transfer rates of up to 480 Mbps
